Experience

Community Assistant

May 2023 – Present

UnionWest Student Living – Orlando, FL

I am a leasing agent for the building and helped efficiently answer questions for prospects in detail.

I managed resident affairs and aided in the atmosphere of the building by planning and executing events for said residents.

Efficiently go through apartments during the turn period and assessing damages while also getting the rooms move-in ready for future residents.

Was a friendly face for residents and prospects and open to questions while also giving tours to future prospects.

Worked in Microsoft Excel in order to manage logging and also dealing with packages and mail for the residents.

Warehouse Worker

Oct 2021 - Jan 2022

Best Buy - Orlando, FL

Packaged and aided in the delivery of store-bought items via in store pick up and online delivery orders.

Picked items from the sales floor in order to be marked and labeled and put in the correct station to be shipped to the customers.

Stocked shelves and laser-aligned shelves for organization purposes.

Organized and put new stock gained from trucks in their correct places.

Education

Bachelors: Computer Science

December 2025

University of Central Florida - Orlando, FL

High School Diploma

May 2021

Paxon School for Advanced Studies - Jacksonville, FL

Accomplishments

International Baccalaureate graduate from high school with a full ride through college with the 100% Bright Future's diploma
